Dear Professor,

I hope this email finds you well.

I am writing to respectfully request a short extension for the assignment, which was due on 26/09/2026. Unfortunately, due to a sudden personal emergency, I was unable to complete and submit the assignment on time.

I have already completed a significant portion of the work and estimate that I will need an additional 2 days to finish it. Would it be possible for me to submit it by 30/09/2026 instead?

My sincere apologies for any inconvenience this may cause, and I appreciate your consideration. Please let me know if you require any documentation.

Best regards,

Ramya Sree
